STOCK EXCHANGE HAS CALL FROM OWEN

(By Leased Wire to Evening Herald.)

New York, March 16.—The New York stock exchange received an unexpected visit today from Senator Robert L. Owen, chairman of the senate committee on banking and currency, the chief exponent of the proposed legislation affecting operations of stock exchanges. He was admitted to the floor and was received about as Vice-President H. E. Pomeroy and several of the governors. Such an honor has been in the past extended to Sir Thomas Lipton and the Duke of Connaught.

The object of Senator Owen's visit was the study of the stock exchange at first hand.

MAJN MOVEMENT OF STOCKS DOWNWARD

New York, March 16.—The main movement during the morning was downward, although fluctuations of individual stocks were at variance with the general trend. Weakness of a few issues exerted an influence elsewhere, checking a tendency of recent sellers to make re-purchases, and by noon the whole market was heavy.

The pronounced weakness of Kansas & Texas preferred gave rise to rumors concerning a possible change in dividend policy and the stock sold within a fraction of its face recovered yesterday. This was again at a disadvantage, owing to the delay in the company's negotiations with the government. An early rise in the stock was utilized for selling, on which the quotation was depressed two points.

London's tendencies continued until well into the afternoon. Rock Island collaterals were hammered down a point. London and continental selling aggregated about 36,000 shares.

The market closed steady. The late news was good inspiration for speculative buyers, although it included unfavorable comment on the steel trade and sales of some large railroad issues. Prices drifted tidy except for a late upward spurt in New Haven. The list generally ended at slight losses.

Cash prices on the more important stocks were:

Amalgamated, 73 1/2.

Sugar, 196.

Atchison, 38 1/2.

Reading, 165 1/2.

Southern Pacific, 94 1/2.

Union Pacific, 157 1/2.

Steel preferred, 110.

ROEHL CONFIRMED AS POSTMASTER MARCH 11

New Postmaster is Advised that Senate did it in Executive Session Last Week.

H. Charles H. Roehl this morning received letters from Congressman Ferguson and others in Washington, congratulating him on the confirmation by the senate on March 11 of his appointment as postmaster of Albuquerque. This is the first intimation received in Albuquerque that Mr. Roehl's appointment had been acted on by the senate, although confirmation was taken for granted, as there was no opposition.

Mr. Roehl stated this morning that he would prefer to continue as city clerk until the end of the term, April 15th, but as he or Mr. Hopkins has received no official information from the department, it is not known when the change is to be made. It is presumed that the new postmaster will be checked in the first of April.

Other New Mexico Confirmations.

Confirmation of Mr. Roehl appears in the congressional record of March 11th which reached Albuquerque today, together with a number of other confirmations of New Mexico appointments, including the following:

Ervin E. Brunk, postmaster at Dexter.
